# resigning

It is with regret and understanding that we view the impending resignation of Mayor Fred J. Manuso from the city's highest elected post.

We wish him the best of houses

We regret that the move the city will so on be everything.

No one can deny that things in the newly hrough his first full term. tty have changed during his stay in ffice. There will be those who question

Reflections ...

under the city's home rule charter. believe has merit. in that top council position.

So, his taking over as mayor will tor and express your sentiments. not be a new experience for him. He

We regret that the mayor has decided to leave the post midway And to the

the has accomplished that.

That is not to say that everything
Today is the first day of the rest of our lives

Tour lives

Right now it seems that there are very few place in the nation where it very few places in the nation where the

How many times have you glass houses should not throw We believe in that saying.

ially unless we absolutely believe in whether or not he was responsible for the physical changes — the new construction, the reconstruction of streets, the purchase of fire component.

And to the newly elected members of local councils, school boards and other posts, we remind them that they, too, hold the futures of their they, too, hold the futures of their they, too, hold the futures of their they.

We won't write anything editor

they, too, hold the futures of their communities and school districts in their hands.

Sometimes this is a more difficult task that the material building of new structures.

He wanted outsiders to say good things about the city when the name of Carbondale was mentioned.

We believe that, for the most part, he has accomplished that.

The times have changed and people are no longer satisfied with the old ways of doing things — a few bones thrown to the public when themse are tough.

With the election over, now is the time for a clean new start.

Waiting in the on deck circle for his turn at mayor is James McMyne who served as the city's mayor following the death of Mayor Dr. A.J Kaufman.

Kaufman.

McMyne was serving as council president at that time - the first McMyne was proposed change which is a proposed change which is president at that time - the first Mayor Dr. A.J President at that time - the first Mayor Dr. A.J President at that time - the first Mayor Dr. A.J President at that time - the first Mayor Dr. A.J President at that time - the first Mayor Dr. A.J President All this from a city which also has the Chicago Cubs!

Marge made several more visits to the lun of it

When the dogs bark and the cats whine, and I ve burned the pizza, and the phone is ringing of the hook and the washing machine in sture in the rinvecycle, we pack a plastic tote bag with necessities, and his our velves to a comfortable double room with color IV and hopefully, a pool nearby.

And like Auntie Mame and Patrick, we've had some lunny adventures

Last Christmas yeason we checked in for an overnight stay at a pooh regional motel with a glasvenelized indoor pool. The desk clerk told wither pool was closed temporarily but that we'd be able to swim very soon, we went out to McDonald's for a cheeseburger and did a little Christmas party in progress, complete with glass and in the polar and in the power of God." Special music will be provided by the topol area only to find an elegant Christmas party in progress, complete with guests in holiday linery. Their bullet table was set up adjacent to the pool.

The guests were extremely friendly. One of them even invited us to jointh the bullet line. "Step right in: "he offered, "whoffl know the difference" We declined, saying we were waiting for the pool area to clear Had we been Faye Dunaway and Brooke Shields, we might have donned our swim suits and jumped into the pool, regardless of the festivities laking place poolside. But we aren't, and we didn't.

We returned to our room to watch television and read Everys of offen Marge would return to the pool area and peck inside. The
